Exact 10 Mar 18 12:30

The urge to be impulsive is strong right now. However you really do need to think before you act. Otherwise you could react rashly. Resist the urge to react in a heated manner if you can. With a steady rein you are able to breakthrough obstacles in innovative ways. Alternatively let go of any urge to control situations or projects that are out of your control and take a few days to walk away and consider all of your options. This way you can make decisions that are in your own best interests without alienating those around you.

The Sun Square Uranus

From 12 Mar 18 05:20 To 14 Mar 18 06:25

Exact 13 Mar 18 05:52

Some days you can feel like you are treading water, getting nowhere no matter how hard you try. Today is such a day. Obstacles seem to be strewn along your path. You may even feel a little down, unappreciated and that your achievements count for little. The time has come for you to reflect, realistically and not pessimistically, on the truth. Is this just a temporary period of frustration or do you need to mark some more serious decisions so that you can fully express yourself. Right now steady accomplishment is the way to go. The trick is to let go of anything that has outlived its value and wait to see what emerges.

The Sun Conjunction Jupiter

From 13 Mar 18 17:00 To 15 Mar 18 18:08

Exact 14 Mar 18 17:33

Caution is advised today for many reasons but mostly because you may not be striking the right balance between self expression and your drive to get ahead. Take care with machinery and star away for dangerous situations and this can be a combative time. If you are not cautious you could alienate the very people who can help you. A little diplomacy and self-restraint although frustrating for you at the moment, can be very helpful. If you are feeling very frustrated by the need to involve other people in your equation, then you may benefit from a physical outlet. Sports, martial arts etc could be helpful.
