

Marriage Report of Kurt Russell and Goldie Hawn

INTRODUCTION

Questions about relationships, and marriage, loom large in the minds of most people visiting an astrologer. In today's world the word "relationship" is relatively straightforward, meaning someone with whom we would like to share my life in an intimate fashion. However, the word "marriage" conjures a different meaning for many people. Some are talking about a marriage in which a religious or civil ceremony is performed, a commitment sanctioned by their friends, family, church or state. Others are meaning a defacto live-in partnership and others may have a looser interpretation of the word.

This report does not, intentionally, take a specific view on marriage, but astrology does have clear indicators that can help when choosing a partner. If you are interested in dating, already involved with someone or simply curious, then this report is for you. Hopefully the Star Match Maker report will be reassuring and supportive of your own feelings and thoughts. However, astrology often opens a doorway to the truth, and this can be uncomfortable if we have been creating fantasies in our own minds. As such please do read this report and enjoy, and seek further counsel if you feel that it conflicts with your own truth.

In astrology, at least this form of astrology, this report is assessing whether or not a relationship is marriage material i.e. whether or not two people are likely to be successful in forming a lasting union, sanctioned in some fashion by the church or law of the land, if they so choose. This report is based on the work of Sepharial, a well-known and respected astrologer in the late 19th and early 20th century. Sepharial says in his work that marriage is not cohabitation. "Marriage, in the astrological sense, is only affected by a contract which is binding upon the parties who are signatory thereto".

Please note that this report is intended as a guide only. Responsibility for decisions and outcomes, as always, lie with individual choice.

Destiny is said to play a part in marriage, but so too is character. Hence this report outlines the character of each individual in a brief manner, and assesses whether or not a person and their partner is pre-dispossessed to have harmonious marriage contracts or not. It also outlines whether or not the person and their partner have elements that blend well or not. Many factors contribute to the success, or otherwise, of a committed relationship. This report is outlining some of the basics, whether harmonising or otherwise. Other influences in your astrology chart may negate or enhance some of the factors stated in this report.

Sepharial says: "... It is also stated that the soul in man takes upon itself the characteristics of the body, as light takes upon itself the colour of the medium through which it passes, or as water takes the shape of the vessel into which it is poured; and it is this particular colouration of the soul which astrology seeks to

define."

FAVOURABLE FOR MARRIAGE

An Astrology Birth Chart, or Horoscope, shows your destiny. As the saying goes, it is written in the stars. Therefore when we are born certain events and people are fated. How we respond and what we choose is self-determined, but fate certainly plays a hand. As such an Astrology Chart shows whether or not relationships are favoured, or difficult. Of course, in our hearts, we know the truth, but sometimes we are attached to a certain outcome, or our emotional wounds dictate to our good sense. This is when astrology, and other forms of guidance, can play a helpful role. This report outlines some of the basic tenets and scores your likelihood of enjoying harmonious and life-enhancing marriage contracts. Relationships are not always easily measurable, and therefore this report is meant as a guide rather than a definitive answer. If it has the ring of truth then you are likely to recognise and acknowledge your own truth. Herein lays the strength of such reports. Traditional Astrologers state that you can choose to live in a defacto relationship, as an alternative to a formal marriage contract. This may be, according to certain astrological schools of thought, a sensible approach to an otherwise challenging area of your life. However, this section depicts the strengths and positive signposts, rather than the challenges. Here you can see your chances of conjugal bliss.

Kurt 's Marriage Prospects

Kurt Has No Favourable Planets

The report shows that no favourable planets reside in the marriage sector of your Astrology Chart. This does not mean that a marriage cannot be entered into as this report is limited in its interpretation of your full Birth Chart. It is a basic human need to want a friend and companion to share life's ups and downs. You may still wish to find a special someone to share your triumphs and offer consolation in troubled times. Indeed you are able to do so. The degree to which you are willing to adapt and compromise and work at marriage is reflected in other areas of your chart, and therefore your nature. The fact that the five main positive planets do not reside in the marriage sector of your Birth Chart may mean that you are more appreciative of your spouse when marriage does occur. Complacency is something that you avoid and therefore your union flourishes. It may also mean that other areas of your life take precedence or there may be other favourable astrological marriage indicators. You may be the type of person who is happy to focus on your career or friends, preferring to enjoy the freedom that a single life can offer. This is a choice that you can happily make. On the other hand you are reading this report which indicates that you are ready to brooch the subject of marriage, at the very least. Therefore you may like to see if there are any unfavourable influences, or consult an Astrologer who may see other positive influences. You may also enjoy obtaining a more comprehensive Birth Chart report to read the full influences of the stars on your marriage prospects.

Goldie's Marriage Prospects

Goldie Has No Favourable Planets

This report indicates that no favourable planets reside in the marriage sector of Goldie's Astrology Chart. This does not mean that a marriage cannot be entered into, but asks that you explore this topic further. It may mean that other areas of Goldie's life take precedence, or perhaps there are some contrary influences which support a cautionary approach to marriage. In the modern times of instant gratification, it may seem difficult to take things slowly, but this is wise in certain cases. It is also possible that there are other influences in Goldie's Birth Chart that encourage a marriage union. Personal commitment to relationships in general may be reflected in other sectors of your partner's Birth Chart. As such her diligence within marriage may more than make up for a lack of planets residing in the marriage sector. Goldie may be committed to communication and tending any relationship because of her own personal traits. A lack of complacency is to be commended and recommended for the success of any long-term relationship. By reading this report you are currently gaining valuable information about the influences on your partner's attitudes to and behaviour in partnership. You may see this as a starting point and might like to consult an Astrologer or a more comprehensive Birth Chart report to read the full influences of the stars on your marriage prospects.

CONTRARY FOR MARRIAGE

Nothing in life is straightforward. Our journey through our lives on this planet take twists and turns, just as any journey does. We start out with certain expectations, with a destination in mind and a plan. Sometimes these all turn out as predicted in our own minds. More often they do not. Either way the experiences encountered along the way enrich our lives, carving deeper understanding and empathy for our fellow human beings. In the same way astrology indicates that your most intimate relationships are unlikely to be straightforward. You may have very favourable marriage indicators, or contrary ones, or a mixture of both. These are simply signposts to help you along your relationship journey, to help you see the path more clearly. If you have a full quota of favourable indicators then you can enjoy a harmonious marriage. However, you may have a mix of both favourable and unfavourable. This means that you need to work at your marriage before complete harmony can be enjoyed. If you have mostly "unfavourable" indicators then marriage is certainly more than a challenge. You may choose to remain single, happily so. Alternatively you may choose carefully and wisely, perhaps living separately, or choosing not to sign an official religious or legal contract. If you enter into a defacto arrangement, then you would be wise to seek legal counsel and ensure that your assets are protected. Seeking the advice of a professional astrology may also shed light on other aspects of your birth chart that alleviate any contrary comments mentioned in this report. This report shows only a segment of the entire horoscope picture.

Many relationships that have had contrary indicators have survived as individuals within the couple maintain a strong sense of love and friendship. Others more favourably indicated have failed as adversity challenges them as individuals and the love, respect and friendship falters. Fate may bring us together but the choice of which bond to form, which path to follow and the nature of the relationship is ours.

As Sepharial says: "All Nature springs forth in its due season and bears its leaf and flower and fruits, and having fruited, it begins to die down to its root. In marriage relations if that root be a spiritual and intellectual friendship finding continual expression in sympathy and understanding, then without doubt it will outlive the varied assaults of any misfortunes that may happen. But without this grappling hook of tried friendship the connubial ship is almost sure to drift and by sad fate may be broken on the rocks."

Kurt 's Marriage Challenges

Kurt Has No Contrary Planets

The pathway to marriage and true love is clear as no contrary planets reside in the marriage sector of your Astrology Chart. However, you also need to note whether or not positive influences are present. If you have no favourable planets in this sector, then you need to be wary of complacency should you decide to sign a marriage contract. If you choose wisely, then you also need to tend to your union in much the same way that you tend to other areas of your life. Other areas of your life may take precedence from time to time, but you need to ensure that you are not neglecting your marital vows. If you would rather not marry then this is a viable choice, enabling you to focus on your career, or other independent pursuits. You may prefer the freedom that a single life can offer. However, it does clear the way for a positive marriage contract if you have favourable planets in your marriage sector. You are also likely to be sensitive to the influences of your proposed, or chosen, partner. The fact that you are reading this report which indicates that you are ready to brooch the subject of marriage, at the very least. Therefore you may like to see if there are any favourable influences, or consult an Astrologer or a more comprehensive Birth Chart report to read the full influences of the stars on your marriage prospects.

Goldie's Marriage Challenges

Saturn is in the Seventh House

Marriage is a challenge for your partner Goldie. Therefore you should be cautious before entering into marriage with this person. Marriage is a serious and life-changing commitment and this is an indicator that your partner Goldie has some difficulty in this area. The path for her does not run smoothly. Therefore any fears that you may feel at the thought on a marital contract are founded, rather than unfounded. Other indicators may alleviate Goldie difficulties, and therefore any concerns. It is not that your partner is necessarily prevented from marrying, particularly if she has other positive indicators. However, you are both advised to enter into marriage cautiously, perhaps consulting elders in your community or seeking wise counsel from older family members. You may have more experience in these matters than Goldie. Therefore you could offer wise and profound advice on this area of life. If you are both marrying later in life, then it is more likely that you both have the life experience and wisdom necessary to successfully negotiate the marital contract. Your partner is seeking someone who is faithful and steady, someone sensible. Therefore you need to make sure of your commitment before entering into marriage. Although this is listed as an contrary indicator for marriage, it can be favourable if your partner makes a careful choice. You may also choose to sign a pre-nuptial agreement before sharing domestic arrangements, or entering into a legal marriage. On a positive note, you can be assured that if Goldie is considering a marriage contract then she is making a serious commitment. Goldie is not flighty when it comes to contracts, and has the ability to weigh the pros and cons and enter into a realistic and binding agreement.

Mars is in the Seventh House

Goldie is perhaps more suited to the boxing arena than to a marriage one with the placement of the feisty planet Mars in her marriage sector. Life is unlikely to be boring if you marry her. Depending on your own nature, you either enjoy this spirited partnership, or married life is a challenge indeed. If Goldie consulted an astrologer then she would likely be advised, depending on other aspects of her Biorth Chart, to consider a single life, or to remain in a defacto relationship rather than sign any legal contracts. On its own this is not conducive to harmonious unions, but rather to lively ones. Do you enjoy a battle of the wits, passion and competition in a marriage? If so then you may enjoy this partnership. However, you need to know yourself and your emotional needs well. Would you eventually run out of the energy to maintain the drive needed to resolve any battles that erupt? If you or Goldie has other positive marriage indicators, then you could both enjoy a passionate marriage, however; you would be well-advised to sign a pre nuptial agreement that covers rights to any single or joint assets, custody of potential children and anything else that may become an area of contention.

Score 2

Your partner Goldie has two of the contrary indicators for a happy and harmonious marriage. This report is meant as a guide only and it is important to note that these contrary indicators can be offset if Goldie has one or more favourable ones. Your partner may still enter into marriage, and clearly you both may have done so already. This score is a signal that the road may at times be rocky. This is true of many worthwhile things in life. Please seek the advice of a professional astrologer for further valuable information about marriage in you and Goldie's Birth Charts.

VENUS AND MARS - THE SPARK

Compatibility in marriage is important. Long before a marriage contract is signed two people meet and a spark is ignited. This spark can be named love, sexual attraction, hormones or any other name. Nevertheless this spark has the power to either gently nudge, gradually tip or catapult a relationship from a friendship into the realm of romance, love, and sometimes lust.

Shared sensuality is a wonderful experience but it is not enough on its own to form the basis of a lasting union. This section will help you distinguish the nature of the attraction. Other sections of this report will help you to discern whether or not you have the basis for a long-term union.

As in popular culture the planets Venus and Mars really do depict the attractor factor. Whether this relationship has started as a friendship or not, sexual attraction is the spark that must have raised the question of commitment, and therefore marriage. This section depicts the nature of the spark that has enticed you to read this report. This Star MatchMaker report is for lovers rather than friends. Do you and your partner have that inexplicable spark that brings two people together, or is the attraction one-sided? If you are already sure of the nature of your intended union, then while not enough to hold a marriage together on its own, shared sexual pleasure is often a healing and uplifting source of joy.

This report will also help you understand your sexual union which is integral to marriage. Once the spark of sexual attraction has dimmed then other harmonising factors play their part. This section whets your appetite with some hints about your compatibility between the sheets.

Kurt 's Venus is Masculine

Goldie's Venus is Feminine

This combination indicates that friendship, rather than an instant attraction may be at the basis of your relationship. Other indicators may indicate sexual attraction, but this one does not. In fact if an attraction exists (and it is likely as you are reading this report) then this path from your initial meeting to a marriage ceremony may be strewn with a few obstacles. In other words the pathway to the bedroom is not strewn with rose petals. Rather there is a bumpy road as you learn to understand each other's different approaches to a relationship. Have you already discovered that your views, and values, differ slightly when it comes to love and marriage? If not then you can be assured that you have other connections that provide

a supportive bond. In this combination you have the planet of love in an astrology sign that demands stimulation, excitement and adventure in love relationships. On the other hand your partner, Goldie, has a preference for peace, comfort and harmony. Therefore you could easily become bored by too much peace and quiet and Goldie quickly becomes agitated by too much excitement. A balance is needed. You both need to develop good communication skills and a sound understanding of each other's needs. If you can see each other's viewpoints then you can progress more smoothly in this relationship. You need to learn your partner's language of love in order to overcome any obstacles to true love.

Kurt 's Mars is in Fire

Goldie's Mars is in Fire

This is a feisty relationship full of healthy competition and possibly sexual frisson. In this association both of you are challenged to produce your best efforts. The sparks fly when you are together, bringing out an ambitious side to both of your natures. This also highlights the passion. As friends or work colleagues you are likely to channel this passion into friendly rivalry; however it is also likely that the tension which sizzles beneath the surface becomes sexual. At some point in time your shared drive and energy could become propel you into the bedroom, tipping your relationship into a full-blown love affair. Passion is likely to be powerful. Once you have entered into a sexual relationship then other factors determine the longevity of your connection. All being well this is a strong bond, in which you both feel that, together you are able to conquer the world and overcome all obstacles in your path.

Kurt 's Venus is in Fire

Goldie's Mars is in Fire

This is a fiery sexual spark. You are both expressive sexually and enjoy spontaneous love making. Your union may fire up soon after you have met. Both of you are in agreement that patience is not a virtue when it comes to the bedroom. Arguments are likely to be resolved in the bedroom where you are able to express yourselves freely. Fortunately you are both in agreement that sentiment does not necessarily play a strong role in sexuality. You enjoy your attraction, but it is not necessarily as emotional an experience as some might say. This does depend on other influences in your Birth Charts and therefore your natures. Nevertheless this is a union in which you both enjoy the adventure of discovering pleasure in each other, without being encumbered by negative feelings. Stormy emotions are best left outside the bedroom or channelled into greater sexual escapades. You are both passionate people. You are motivated by many things, but your positive sexual connection can energise you in other areas of your life as well. If other harmonising factors exist then the flames of your pleasure are likely to burn long. However, if you are not harmonious in other ways then they could die down after the initial attraction wanes. You will know if you start to experience attraction to someone other than your mate and more than a passing interest in pursuing your desires. Nevertheless this combination is highly compatible and highly satisfying long-term if other factors create a loving bond between you.

Goldie's Venus is Feminine

Kurt 's Mars is Masculine

This is a difficult courtship. Sparks may ignite at the beginning of your relationship, but it is a challenge to keep the flames alight. You need other strong harmonising factors in order to sustain your love. You do not set out to upset each other. It is simply that difficulties arise in this love affair, prior to marriage. They are likely to continue into the union unless you can find a way to resolve your differences in the bedroom. It is important that you face facts and work on resolving the misunderstandings and disappointments that arise in order to have hope of a successful union. Pretending problems don't exist will only make matters worse. The good news is that there is a frisson of attraction and where there is smoke there can definitely be fire. If you are both committed then this spark can be flamed. If you are happy to do so then you may chose to remain as close friends rather than lovers. Many a lifelong friendship has resulted from a love affair ended amicably.

Score 4

This section scores your compatibility when it comes to love and relationship values. In particular it pertains to passion and sexuality, a key ingredient to both sparking, and helping maintain a marriage. Congratulations you have scored 4 out of a possible score of 8. This may not seem like a high score but the higher scores are not very common and this is a good score indeed as it indicates that you are compatible in more than one area of your relationship. When this connection involves connections between the planets Venus and Mars then it augurs well for a love match. You are likely to have a strong sexual spark and you are well on your way to enjoying a compatible and successful union. With this score, no matter which planets are connected, you are in agreement as to how your relationship should be approached both in and out of the bedroom. You now have some valuable information about how each of you likes to approach love and sex. As English philosopher and statesman Sir Francis Bacon once said, "Knowledge is power". You now have the power to gain greater understanding of this union.

SUN AND MOON KEY HARMONISING FACTORS

Romance is written in the stars, but the path to true love doesn't always run smoothly. Knowing the harmonising factors in your own and your partner's astrology can help you make decisions that ensure success in marriage. Astrologers know the secrets to the harmonising influences and cycles that make marriage work and one of the keys to this is consideration of the harmonious aspects between each person's Sun and Moon. These personal planets are key factors in basic personality traits. Therefore it is important that each person has a rapport with their partner, particularly if you are considering a commitment in marriage. In this report we shed some light on the hidden forces at play in your romantic destiny.

Kurt 's Sun is in Water

Goldie's Sun is in Water

Our Sun Sign is a personal statement about how we express ourselves and hence it is an important factor to consider in marriage. How many times have you seen friends or colleagues behave differently when on their own in stark contrast to when they are with their partner? Perhaps you have also experienced this in the past yourself? It is important that two people make a greater whole, rather than squash each other's individuality. You and your partner, Goldie, are likely to feel an instant rapport, feeling easy about expressing yourselves in this relationship. You share a very emotional and intimate bond. You are both born with your Suns in Water Signs indicating that you are simpatico when it comes to feeling your way through life. The Water Signs include Cancer, Scorpio and Pisces. Sharing your Suns in a Water Sign means that you both identify with each other's love of family, friends and home-making. You both agree with the phrase that says, "Home is where the heart is." It is likely that you are both sensitive individuals and are easily able to empathise within your marriage. You may share a strong sense of intuition, warm and caring attitudes and a need for emotional security. Both of you need to feel safe and assured within your marriage and you are both happy to offer the reassurance, love and care that is needed. You are in agreement on this need for sharing rather than for space, and on so many other things. Therefore you score highly with this combination.

Kurt 's Moon is Feminine

Goldie's Moon is Masculine

This is a challenging combination in an intimate relationship because your basic needs are clashing. One of you is seeking independence, freedom and excitement. The other is seeking togetherness, security and comfort. At times you are likely to feel thwarted by your partner's needs. You may have shared a strong attraction, in the way that opposites attract, but tensions are likely to arise after the initial attraction wanes

unless you have a very mature understanding of each other's needs and a willingness to give each what you need. Your partner, Goldie, seeks passion, and craves the freedom to experience new emotions. Goldie wants to expand and grow, and is likely to feel that this relationship is an obstacle to achieving their goals if you stand in her way. Alternatively she is likely to feel loved and supported when her need for freedom is being encouraged. If you have the ability to put your own needs to one side, without being a martyr, to support Goldie then all will be well. It is important to note that your partner is repelled by neediness. On the other hand you may genuinely need something different and be unwilling to compromise. You seek security in any intimate relationship, and while you are a naturally caring person, you may feel threatened and unstable by the changes constantly being foisted on you within this relationship. It is important that you are sure before proceeding with this union. If this relationship gets to the point where one of you feels frustrated and the other feels resentful then you need to communicate honestly. Of course compromises can be sought and achieved, but this is a challenging combination and requires commitment to understand and work with opposing forces. Opposites attract and so other complimentary forces in your astrology will highlight the attraction and the willingness to move forward together.

Goldie's Sun is in Water

Kurt 's Moon is in Water

The course of an intimate relationship runs a lot more smoothly when both people are on the same wavelength. Of course commitment is still required, but it is a lot easier when two people are in tune with each other. The elements of a person are similar to those in Mother Nature or Gaia. Fire sparks Fire to make a bigger, more spectacular Fire show. Water joins with Water to spread from a small creek to an ocean brimming with even more aquatic delights. So it goes on. It is similar in relationships. When two similar elements combine, the two people concerned are working together to create a beautiful partnership. When two opposing elements combine then challenges arise. Water can douse a Fire. Alternately Air can fan Fire. Hence the elements either aid or obstruct each other. In the same way two people, when combining, can either aid or obstruct each other. Fortunately this is a very positive combination indicating that you share a strong bond in the element of Water. Together you create a peaceful, secure and emotionally satisfying bond. You may be surrounded by loved ones, or entirely on your own. Either way your relationship provides meaning and sustenance. You are in agreement on many areas of life, and particularly your private life. Feelings run as deep as the ocean in this union. It is possible that the watery Moon expresses these feelings a little more easily than the fiery Sun. Nevertheless this is a relationship that nurtures both of you.

This combination can indicate two people who are attracted but whose differences become obstacles to personal happiness. With commitment you can work through your differences, but you both need to be certain that this is what you want. Are there enough other strong elements of compatibility in your natures, and your Horoscopes to warrant the leap of faith and the compromise that this relationship needs? If so then this influence is not as strong and you can rely on the strength of your bond.

Score 4

Congratulations you have scored 4 out of a possible score of 8 and are well on your way to enjoying a compatible and successful union. This may not seem like a strong score, but it is. When two people's personal planets connect in a score of 3 or more then it augurs well for any type of relationship. This score means that you are in sync with each other on most personal matters. A little compromise may be required at times but this is an attraction worth exploring in marriage, and even if you both finally opt in favour of friendship, rather than conjugal bliss. Unless you have other opposing aspects in your Horoscope, you have a sound basis for a long-lasting relationship. If you have other positive indicators then this is a very favourable combination.

CONCLUSION

No two people are alike. The same can be said for relationships. This report has outlined some of the main factors in determining the most favourable ingredients for a successful relationship. However, it is only an indicator and cannot possibly cover the full gamut of each individual's relationship traits, or each couple's strengths and weaknesses. Free will also comes into play. The most challenging relationships can often attract the most determined individuals, both committed to and succeeding in a lifelong bond. You have probably heard the saying "Women are from Venus, Men are from Mars". In astrology a man's Mars joining with a woman's Venus or Sun is indeed a powerful statement of attraction. Many a couple has stayed together based on an initial attraction, whether or not this ultimately makes them both happy. In short there are many more intricate and well researched astrological aspects that can shed more light on this important area of life. This report is meant a guide to help you understand your own strengths and weaknesses when it comes to the arena of marriage, as well as an indicator of some of the factors in your partnership.

Whether you and your partner have scored well, or to the contrary, in this report is in an indicator but not the conclusion. Relationships, like many areas of life, need tending. The degree to which you and your partner are willing to actively work at your union plays a large part in your success as a couple. Complacency is the enemy of all committed relationships. On the other hand your own ability to adapt, compromise and continually keep the doors of communication open can combat complacency and overcome all obstacles.

The inspiration for this report was the eminent astrologer Sepharial, so it is appropriate for him to have the last word: "True marriage is grounded in a deep sympathy and understanding which has no self ends to serve and no desire to satisfy that is not mutual... All Nature springs forth in its due season and bears its leaf and flower and fruit, and having fruited, it begins to die down to its root. In marriage relations if that root be spiritual and intellectual friendship finding continual expression in sympathy and understanding, then without doubt it will outlive the varied assaults of any misfortunes that may happen."
