It is survival of the fittest right now, whether on the sports field or in the workaday life. Be productive rather than destructive. However if your energy levels are low then you may prefer to slow down for a day or so and go with the flow. Your levels of frustration may be high when it comes to personal achievements. Therefore rest and relaxation may be preferable to work, the gym or pushing yourself on any level. If you do have plenty of energy and your path is blocked then try a different approach.

Mars Opposition The North Node

From 11 Nov 21 19:38

Exact 19 Nov 21 20:35

The Nodes are a sensitive point in an astrology chart and therefore transits are likely to indicate something significant when they occur. The South Node represents the areas of life in which we need to let go, habits that have outlived their usefulness. Letting go of something or someone familiar can be frightening and perhaps even painful, but ultimately when one door closes another opens. In this case you need to take a change of direction. Perhaps you need to restrain rash or dangerous habits. On the other hand it is possible that your temper has previously caused problems for you and/or your loved ones. Now you need to let go of the past and move towards a more positive life direction.

Jupiter in the 12th House

From 23 Oct 21

Jupiter is the planet known for generosity, expansiveness and joie de vivre. Ancient astrologers considered it to have a positive influence heralding abundance and expansiveness. Therefore you can expect these traits to influence the area of your Birth Chart currently under its influence. An angel is sitting on your shoulder as the positive planet Jupiter transits through your 12th House. In other words no matter what happens during this period you are likely to be looked after. Personally you are now on a quest to seek meaning in life from deep within yourself during this period. It is time to re-charge your batteries quietly behind the scenes rather than seek the limelight. Recognition will come later. Now is the time to reflect. You may feel an urge to be of service to humanity. For instance if you do not have paid employment then you may seek volunteer work. On the other hand you may seek more meaning in your daily work, your friendships and your associations with relative and loved ones.

Jupiter Square Chiron

From 23 Oct 21

This is a time during which you are forced to face painful memories, which have haunted you in times gone by, and move into areas that are linked straight to your heart. One person, an important teacher or healer, may enter your life to help you grow in ways you never thought possible. It is also possible that you are forced to face your fears of

inadequacy or past inhibitions in order to truly express your own teaching and healing talents. Either way the path may be painful, but the result will be wisdom gained through experience.

Jupiter Sesquisquare Neptune

From 23 Oct 21

During this period you are vulnerable to feelings of confusion and lack of direction. You seem to be treading water no matter how hard you try to put your plans into action. Later on, when the clouds have lifted, you will be grateful for the delays.

Saturn in the 7th House

From 23 Oct 21

"The planet Saturn rules all that is durable, long-lasting, hardened and able to be structured like lead or concrete; industries like building or agriculture and businesses that have long range goals, are traditional and well-established." So says renowned astrologer Brian Clark. Therefore Saturn is likely to force you to slow down and restructure any area that it influences in your Birth Chart. You are required to seriously assess the value of the life areas influenced by this serious planet. When Saturn moves into the 7th House of your Birth Chart your relationship with your partner demands attention. It is possible that your partner's life changes in ways that demand you bear greater responsibilities within the partnership. You may reassess your priorities in both business and personal partnerships. This could result in a greater commitment to your partner, or it could be that you decide to end a serious relationship or close a business contract. Marriages and divorces can both occur during this time. If you are not already in a serious relationship, then you may meet someone who has a significant influence on your life.

Uranus in the 12th House

From 23 Oct 21

Uranus is a planet that is full of surprises. It takes approximately 84 years to do a full circle around the Zodiac. This means that it moves slowly through each Zodiac Sign and its effects on your Birth Chart takes time to unfold. It is important to note that this erratic planet can affect your life in a variety of ways depending on how you cope with change. If you try to resist change then you may find this planet's effects somewhat of a challenge. If you welcome liberation then you are in for a joyride. The planet Uranus helps you break free from past chains and restrictions and form new and more joyful ways of interacting in your life. Your life may be disrupted but you are then free from thinking inside the box, and new horizons open up. The area of your Birth Chart influenced by this liberating force is likely to be awakened and stimulated. This is a profound period in your life, although at times you may feel the need to retreat. Neptune in the 6th House

From 23 Oct 21

The planet Neptune takes approximately 164 years to circle the Zodiac. This slow-moving planet's transits unfold slowly. It is therefore more significant to look at any exact transits that are occurring in your Birth Chart. Nevertheless it can be helpful to try to understand the effect of Neptune as it enters into and transits through a House in your Birth Chart. Neptune is the planet that urges us to search for meaning in our lives, to look beyond the structures and focus on purpose. For instance are you pursuing a career because of ambition and material rewards or is it your true purpose and fully satisfying? Therefore it is not uncommon for the initial effects of Neptune to be confusion and disillusion, perhaps even a sense of loss. Gradually awareness emerges and you are able to see what is underlying the illusions and what you can gain by changing your course and embracing values that truly enhance your journey in life. Neptune helps you see the truth of any situation and therefore live your own truth. As Neptune travels through your 6th House you need to take care of your health, taking particular care with drugs of any description. The trouble is that your body is overly-sensitive during this time. You may even develop or discover allergies. You may also feel somewhat lethargic, overwhelmed by the demands of a busy life. A good balance of rest, exercise and a healthy diet goes a long way towards helping you cope with the stress of a busy schedule. You may also benefit from seeking advice from alternative healers, or perhaps even exploring options for working as a healer or in a spiritual field.

Pluto is the slowest moving planet in the Solar System, taking approximately 248 years to complete a circle around the Zodiac. This slow-moving planet's transits are long-lasting and initially pack a punch if you are not living according to your true natures. Pluto transits insist that we get in touch with our core purpose and our deep sense of power. New levels of intimacy, not only with others but also with ourselves, are discovered and uncovered." Currently you may feel that the foundations of your life - family and home - are changing and it is difficult to find a firm foothold.
